

Consolor's latest head supports, the Pro Swing Away Slim and Contour Adjustable Headrest, offers support, flexibility and functionality. With endless adjustability options, both headrests offer a cost effective solution that can be tailored to meet the individual needs of the client.

## Pro SAS Headrest

The Pro SAS (Swing Away Slim) Headrest provides unrivalled support and head control. The easy adjustability ensures increased stability whilst the padded laterals provide the ultimate comfort.

Available with or without laterals, the Pro Slim provides occipital support whilst avoiding the ears for added comfort.

## Contour Adjustable Headrest

The Contour Adjustable Headrest offers functionality and versatility as it can be adjusted to meet the changing needs of its user.

The contours provide either a flat surface or a deep contoured fit, ensuring all head support needs can be met and maintained.
